

Zonal Youth Festival (Creating History...)

YOUTH FESTIVAL

Department of Student Welfare takes special care and interest that students of our college participate in Zonal and Inter Zonal Youth festivals organized by Maharishi Dayanand University, Rohtak every year with great zest. Youth festivals help to preserve our varied cultural heritage; many of the old forms which are on the verge of decay are preserved and kept alive by including them in the youth festival competitions. These festivals give students an opportunity to express their artistic and literacy talents. As a whole, youth festivals give an opportunity to develop the qualities of mutual respect, love, communal harmony and national integration. Youth festivals are the cradles of the student's artistic and cultural development. They have become the forum where young artistic talent is discovered and carved.

Our students have bagged many prizes in youth festival competitions as per the following:
