## **Ek Bharat Shreshth Bharat (EBSB) Club**

**Haryana-Telangana**

EBSB (Ek Bharat Shreshth Bharat) is a program which promotes national integration through systematic exchange between the paired institutions in various fields such as cultural, literary and linguistics. The idea of a sustained and structured cultural connect between denizens of different regions was mooted by Prime Minister Shri Narendra Modi during the Rashtriya Ekta Divas held on 31st October, 2015 to commemorate the birth anniversary of Sardar Vallabhbhai Patel. Cultural diversity is a joy that ought to be celebrated through mutual interaction and reciprocity between people of different states and UT's so that a common spirit of understanding resonates throughout the country. The spirit of mutual understanding amidst a shared history has enabled a special unity in diversity, which stands out as a tall flame of nationhood that needs to be nourished and cherished into the future. Under EBSB each state and UT of India is paired with another to promote the spirit of national integration amongst that states and respective colleges concerned. The state of Haryana is paired with the state of Telangana; Sh. L. N. Hindu College is paired with Government Degree College, Gajewal, Telangana.

## OBJECTIVES

- **TO CELEBRATE** the Unity in Diversity of our Nation and to maintain and strengthen the fabric of traditionally existing emotional bonds between the people of our country.
- **TO PROMOTE** the spirit of national integration through a deep and structured engagement between all Indian States and Union Territories through a year-long planned engagement between States.
- **TO SHOWCASE** the rich heritage and culture, customs and traditions of either State for enabling people to understand and appreciate the diversity that is India, thus fostering a sense of common identity.
- **TO ESTABLISH** long-term engagements.
- **TO CREATE** an environment that promotes learning between the States by sharing best practices and experiences.

## KEY THEMES

- To celebrate the idea of India as a nation wherein different cultural units across varied geographies coalesce and interact with each other, this glorious manifestation of diverse cuisine, music, dance, theatre, movies & films, handicrafts, sports, literature, festivals, painting, sculpture etc. will enable people to imbibe the innate chord of binding and brotherhood.
- To make our people aware about the seamless integral hull of the modern Indian state spread across a vast landmass on whose firm foundations, the geo-political strength of the country is ensured to benefit one and all.
- To impress upon people at large about the increasing inter-connectedness between the constituents of various cultures and

traditions vital for the spirit of nation building.

- To induce a sense of responsibility & ownership for the nation as a whole through these close cross-cultural interactions as it intends to build up the inter-dependence matrix unequivocally.
