

President's Message

It is certainly very heartening to witness that the college has carved a name for itself in the academic scenario of the region. Spreading education among masses is perhaps the greatest gift one can give to society as it enlightens and empowers people, humanizes them and lends meaning to their existence and thereby brings peace and prosperity in society and makes this universe more livable. Since its inception in 1971, Sh.L.N.Hindu College Rohtak has been serving the humanity by providing high-quality education .

We look forward to your continuous and harmonious development through care, compassion and concern so that you may go out in the world to shine.

With best wishes 

Mr. Sudarshan Dhingra

President
