The creations of the human mind like artistic work, symbols, inventions and designs are covered under the umbrella term – Intellectual Property Right (IPR). These creations must be protected for recognition and financial benefits.

Looking into the need of the present scenario, the college has established its IPR cell with the following objectives:

Objectives

- To create an awareness and to know about IPR for teachers and students of the college
- To conduct seminars, conferences and workshops on IPR
- To impart knowledge on patent filing procedure in India and other countries
- To impart training on copyright and trademarks
- To encourage faculty members and scholars for patentable/copyright work

The college recognises the intellectual property created by the faculty and students and is making efforts to protect the same. The college will frame its own IPR policy by following the guidelines of National IPR policy and the affiliating University.

Events organized by IPR Cell for students are

1. Seminar
2. Conferences
3. Awareness Programs
4. Extension Lectures
5. Workshops
6. Quiz competition
